ALL PARTICIPANTS MUST REGISTER FOR RELAY AT:  
<http://relayforlife.ca/lucasSS>**

**Please have participant and parent/guardian read and sign below.**

The Canadian Cancer Society Relay For Life is an inspirational, non-competitive, 12-hour overnight fundraising event that brings you and your community together to celebrate life and fight cancer.

- Relay For Life events are alcohol and tobacco free. All school rules apply throughout the entire event.
- We encourage every school to enforce a "lock in" policy for safety. This means that once participants arrive, they cannot leave until the end of the event. To accommodate participants with special circumstances (ex. a work shift) a "Late Arrival/Early leave" form is available from the Relay For Life committee and must be signed by a parent or guardian and returned to the Relay For Life committee pre-event.
- Every event is encouraged to have at least one adult chaperone for every 10 student participants.

By participating in the Canadian Cancer Society Relay For Life, I waive and release any and all claims for myself, heirs, executors and administrators against all sponsors, officials and organizers of this event for injury, illness or death which may directly or indirectly result from my participation in this event. I also grant full permission for the organizer and the Canadian Cancer Society and its staff to use photographs and video footage of me in legitimate accounts and promotions of this event.

### IMPORTANT DISCLAIMER

**Both the Canadian Cancer Society and A.B Lucas Secondary School staff are not responsible and/or liable for students who leave the Relay For Life event early for any reason without a signed 'Late Arrival/Early Leave Parental Form' provided by the Relay For Life committee. Students are otherwise expected to stay on school premises for the full duration of the event.**

I have read and understand the information above and give my son/daughter permission to attend the Canadian Cancer Society Relay For Life that is being organized by his/her school. I also understand that if I have any questions I can contact the school's Relay For Life committee for more information.
