Safe and Inclusive School Plan

Ensuring Positive Learning Environments

 This year we are focusing on belonging.

We are doing this work to see an improvement in positive relationships, inclusion, and well-being.

Throughout the year, we will:

1. Facilitate learning on equity, inclusion and well-being.
2. Engage with student leaders to strengthen student to staff and peer to peer relationships.
3. Foster and encourage discussions concerning mental health, inclusion, equity, and normalizing language.

Community/Home Connections

Ask your child/children if he/she/they feel a sense of community and belonging at A. B. Lucas Secondary School.

Encourage your child/children to use his/her/their voice(s) for advocacy and standing up for others.
